4. By facilitating DPD, importers get the following benefits:

- i) The prompt and timely delivery by the Port Terminals will help in reducing inventory cost.
- ii) Saving in transportation from Port Terminal to Customs bound warehouses.
- iii) Handling and storage charges at warehouse.
- iv) Container detention charges payable to Shipping agencies.
- v) Delivery of DPD container at Port Terminals is on 24x7 basis which is not possible in custom bounded warehouses.
- vi) Saving towards dwelling of boxes till clearance at destined custom bound warehouses. The average dwell time of import laden containers moved locally by road is 1.6 days at JNPT (all three terminals put together) as against 7-9 days in JNPT eco system ie the time between landing at Port Terminal to receipt of container from warehouses.

Aforesaid benefits collectively result in saving of approx. Rs. 15,000/-to Rs. 20,000/- per container to the importer.
